

SCARECROWS IN THE PARK

Display guidelines/ Entry Form

We invite businesses, churches, schools, organizations and community groups to get creative and help us fill NECO Park with scarecrows this fall!

GUIDELINES:

1. Get creative! Your scarecrow display should represent your business, church, school or organization in a fun and creative way.
2. At least one recognizable scarecrow must be the focal point of each display.
3. Family-friendly only. **No frightening, violent or gruesome displays.**
4. Homemade or creatively decorated scarecrows are encouraged. Original designs are preferred over commercially purchased, ready-made scarecrows.
5. **T-post will be there for you to mount your scarecrow to. Bring large zip ties to secure it to the post with. Pick the post you would like to use when you arrive to set up. Please snap a picture when your display is complete and email or text with your name so we can get the sign out by it. Text: 601-764-8595 or bayspringschamber@gmail.com**
6. Secure everything. All scarecrows, signs and decorations must be securely anchored and able to withstand normal wind and rain. Maintain your display throughout the event.
7. **NO REAL PUMPKINS OR GOURDS or perishable items.**
8. **YOU will need to bring an extension cord long enough to get from your scarecrow to the power base in the center of the display.**
9. **YOU will have to provide a LED SPOTLIGHT to be stuck in the ground in front of your scarecrow. It is very important that the bulb is LED for our power supply.**
10. **The Chamber will provide a sign to be put by your scarecrow identifying who owns each one.**
13. Keep displays in place through the designated end date and remove them by the announced removal deadline so we can prepare for Tinsel Trail.
14. **There is a \$10 entry fee to reserve your spot. The money collected from the entry fees will be donated to Happy Healthy Pet Adoption in honor of the winner of the event. Along with this honor, the winner will also receive a trophy.**
15. **The winner will be chosen by facebook "likes". The chamber will upload all the scarecrows by pictures. The picture on the original facebook post with the most "likes" will be the winner. The winner will be announced via facebook Halloween Day.**
16. The Chamber reserves the right to request changes to or remove any display that is unsafe, inappropriate, deteriorated or does not follow these guidelines.

15. Photos will be used for promotion. By participating, entrants give permission for their displays to be photographed and used in Chamber promotional materials and social media.
